Medicaid bulletins contain important policy and billing information and should be shared promptly with billing staff.

Bulletins supplement information in the Medicaid Provider Manual and should be retained with the provider manual for reference. Retain all bulletins until published notification advises that the information is obsolete or reproduced in subsequent bulletins or provider manual updates.

Please direct questions about bulletins and billing information to Medicaid Provider Services.

Distribution: All Providers

May 2001

Reference: B0100096

## Bulletin correction

Bulletin **B0100095 (Claims denied for ineligibility from 07/01/97 - 08/31/99 may be paid)** contained incorrect dates for the affected time period. The date span should read July 1, 1997 to August 31, **2000**.

Please correct the dates in the title and first paragraph of bulletin B0100095 to July 1, 1997 to August 31, 2000.

We apologize for any inconvenience this error may have caused.

## Appendix Q replacement

Appendix Q, Mental Health Capitation Program (MHCP) Covered Diagnosis Codes, for the Medicaid provider manual has been corrected. The appendix now includes personality disorder diagnosis codes that were mistakenly omitted and diagnosis code 307.80. Diagnosis code 297.4 was included in error and has been deleted.

Please replace:

**Appendix Q dated 10/00 with  
the attached Appendix Q, dated 05/01.**

We apologize for any inconvenience this error may have caused.

## Name change reminder

Providers were notified by postcard of the fiscal agent's name change from Consultec, Inc. to ACS Government Services, State Health Care. The fiscal agent now is referred to as ACS.

The high level of service continues and the addresses and phone numbers remain the same. Please remember to substitute ACS for Consultec on addresses and correspondence.

Providers will be notified of further changes as they occur.
